OH RIO, RIO Brazilian bossa nova star Bebel Gilberto brings her dulcet tones to the Box Tue 29.

Tuesday 29

Rock, pop & soul

* **Bebel Gilberto** *The Box*. 7:30, 9:30pm, \$25. Brazilian star Bebel Gilberto's albums are so production-centric that she sometimes sounds like a stranger to the process at hand. The album she celebrates tonight, *All in One* (Verve), features a slew of fancy producers for its different songs: Mark Ronson, Dust Brother John King and some Tropicalia vets. Yet rarely does Gilberto seem overwhelmed by her surroundings. Tonight she plays the Box, the jewel-like club that opened a few years back with so much promise but seems to have mostly been used as a jackass bar and *Gossip Girl* set.
